

Slope & Sail Group Daytrip Policies

These policies are applicable for groups with more than 20 people signing up to reserve a daytrip.

40 paid seats are required for a dedicated bus. The 41st and 42nd seats are free. A dedicated bus is a bus in which the only passengers on the bus are the people in your group.

To hold 1 bus (reserve a dedicated bus) it is a minimum \$100.00 deposit midweek or a minimum \$250.00 deposit for a Saturday or Sunday. This deposit also applies if you are not getting a dedicated bus but would like to hold seats on one of our buses. This deposit can be applied to your total balance due.

Every 21st lift ticket is free.

Payment in full is due 10 days before the trip. A roster listing names and options is also due at this time.

Cancellations made 10 or more days before the trip date will result in a \$25.00 cancellation fee.

Cancellations made within 10 days of the trip date will result in the forfeiture of the deposit.

Individual cancellations within the group after the roster has been turned in will result in a refund less the cost of the individual's bus seat.
